“ I met Mary and her son Drew at 8am daily Mass at St. Peter Catholic Church years ago. They were always friendly. One day they invited me to say the Rosary after Mass and we became the few that stayed. Over the years more people joined in the Rosary and formed a small community. After the Rosary, Mary would always say thank you to all gathered and to each individual as she walked to the doors, "God bless you and have a nice day." In the past year I had the opportunity to drive Mary to and from daily Mass and learned more about her kind and gentle heart that inspired me to grow deeper in my faith. Mary is a special woman with a big smile and will be remembered in my heart forever.

“ I only saw Mary at daily Mass but I was very fond of her and admired her. She always remembered my name and others and had a positive word for everyone. I will miss her. Bev Kopp
