“ *Our family met Maud and Bob when Bob was a resident at the JMC Pavilion where my mom Mary was also a resident. During our daily visits, Maud was a ray of sunshine and a good friend to my dad and me. Together as care givers we shared some good and not so good times. We are saddened to hear of her passing but Maud and Bob are together again forever. We send our deepest condolences to the Kiskaddon family. Susan Cesarano & Tom Kirby*

“ *A special note to Hilary and Hanna. Suzi and I had the pleasure of lunching with you on a couple of your visits to you grandmother. Suzi and I were so suprised to see Maud's obituary in the paper, we were about ready to call for one of our regular lunchen dates. We will remember Maud for the many years of our friendship and working with her on the projects with the Historical Society that she believed in.*

*Our love and thoughts are with the Kiskaddon family.*
