“ *Our sense is that Michael lived the kind of life that a lot people, including me, really envied." A devil may care attitude" it always seemed to me that he took life the way it was handed to him & never let anything interfere unless it was Golf.
" He did what he wanted to do" & if that perception is wrong, then he takes to Heaven- an academy award- for being "The Great Pretender"*

We will miss you Michael!! "Salud"

“ *To: Robbie, Jean, Ann:*

MJ was a fantastic man. Although I did not play golf with him we did enjoy Sushi and a glass of white wine from time-to-time. He was always amused with the stock market and what he didn't lose. His humor will not be forgotten. Much love and prayers to the family.

“ *I'll miss Michael. His sense of understanding and humor never left him. Even as we aged, he was able to make you feel special. We met at NHCC in the early eighties and shared many good times playing golf and holding up that good old oval bar that we all learned to love. My sympathy to his family who can be assured that Michael was the best. Sincerely, Bill Haise*

“ *Back in 1959 Mike hired me as an expeditor at the office on Blue Mound Rd. I was glad to get the job because I was planning to marry my girl friend ,and are still happily married. Some of the things I remember : Mike's secretary (I think her name was Ceilia, and I hope she is doing well) . Another memory was when Mike's friends would come to the office and Mike would say "We are going to hit golf balls" . One day Mike gave me an extra job to cut his lawn at his home because his son had an accident with the lawn mower. After two years I got a different job when the housing market slowed down. I was always thankful that Mike had given me a job. I learned a lot from him. My sincere sympathy to the family, Roger & Bonnie Hoge*

“ My memories of Michael Duersten are all so dear to me. He was a very important part of my life while I was growing up. His dry sense of humor and charming wit still make me smile i feel very blessed to have known him. He will always hold a place in my heart.

“ I was not fortunate enough to have met this incredibly strong, wise and inspiring man. I am however, lucky enough to know his Granddaughter Lauren, who carries herself with poise, intelligence, loyalty and compassion, characteristics she inherited from MJ. He may not be putting on this green Earth anymore but he continues to live on through those who loved him dearly, and who he loved so deeply.
