“ Growing up in West Babylon (Long Island) NY with my 6 brothers and a ton of friends all of us played organized sport(s) there are Always bound to be certain "stand outs" among the Group. Michael Gilles aka "Mike" was certainly one of the tallest and most talented basketball players at a very young age.

We all had good reason to believe Mike was going to reach lofty heights and to no surprise we were all, of course, Correct. Michael was clearly one of my Mother's very favorite friends of our family and to us brothers, Michael was a part of Our Family during our younger days where Sports equaled life itself.

Michael and my older brother Chris, were, of course very close friends. I will never forget my Mom (barely 5 ft tall) insisting Michael sit down at the kitchen table each and every time he visited us due to continued neck strains of Mom having to look up to Mike during their typical hilarious exchanges. Michael in typical fashion would always comply, sit down and commence to refer to Mom as "shorty" :) Mom would quickly remind Michael the broomstick was never out of her reach and Michael would stand up and hold the broomstick over his head! Ha Ha To this, my Father (NYPD/at the time) quickly expressed to Michael his professional opinion Mike had an innate aptitude for a career in law enforcement :) The passing of our Dear Friend, Michael Gilles while deeply sad on a very personal basis; may and should remind us all the fragility of Life itself but much more importantly the continued joy Mike gave to us all throughout his life are now highlighted and subject to most worthy reward in Heaven. Fair winds and following seas to our Dear Friend, Mike Gilles may God continue to embrace You, Your Wife, Your Children, Your Family and Your Friends. John M. Mylett, Buffalo, New York on behalf of the Entire Mylett Family.

“ Our hearts are deeply saddened by the enormous loss of our Dear Friend Mike. Our thoughts, prayers and love go out to Terri, Mike and Matt. Our memories of the times spent with Mike are vast and timeless and for that we shall cherish forever. Mike truly was a great man. Always around to help anyone in need. A man with a huge heart and an even bigger smile to go with it. Mike was ALWAYS the LIFE of any party. He would have us in stitches with jokes one minute and then have us all singing the oldies the next, and Mike could sing!! The time spent singing karaoke with Mike were the BEST!! Being neighbors with Mike and Terri were the best years of our lives. The holidays were especially memorable. Halloween was awesome as not only did Mike and Terri have the best decorated home in The Heights, but we as neighbors all took part! I played the Witch for years so I know the fun everyone had coming to their home. Christmas was another extravaganza at Mike and Terri's home. No one that were their neighbors could ever compete with their decorating skills! It goes without saying Mike loved his cars and wash and waxed them every week. His Prowler was his baby. One of the best times I personally shared with Mike was riding in the Prowler along the beach then a quick stop in at the Thirsty Turtle for a beer. Who couldn't have fond memories of a man like Mike! I guess Cathy and I could go on and on about Mike but the message I want to end with is, Mike you will be greatly missed by all. You made us laugh and always made us smile! Heaven gained one heck of an angel! Much love and support to Terri, Mike and Matt ?

“ Mike was a great neighbor and will be missed by our family. He was always outside. Shining the cars, keeping the yard nice, or setting up for the holidays. I would drive by daily and I would get a wave and smile EVERY time. My kids loved the wild Halloween displays and he was always one of the first to set up Christmas decorations. I know he will missed by his loved ones. Know that your family will be in our prayers. John 14:1-4
