“ I'm so sad to hear this. I never got to see Michelle again after the accident because we moved while she was in the hospital. I thought of her and Mary often over the years. Such a sweet and beautiful person! My condolences to her family and the Jupiter community.

“ Michelle was an incredible person that always made you smile whenever she was in the room. She was motivated to make the best of every day despite the challenges she encountered in her own life. She will be greatly missed and it was too soon for her to go. She was like family to me and my heart goes out to Steve, Barb, Adrian, Bill and the rest of her family. ~ Colby & The Reese Family

“ I will always remember Michelle ' s encouragement and uplifting positive words when I was down. I would've quit our softball team if it weren't for her. "I know you're not a quitter," she would say. "Just think positive." I still live by those words.

“ Though the years passed by, and it's been awhile since I have spoken to Michelle. It still seems like yesterday, that our Warriors were packing the gymnasium to hold vigils for Michelle to make a speedy recovery. I'm so sorry for Michelle's family going thru this most difficult time, and please know my prayers are with you all.
