“ *Mildred. You were an inspiration to us all. We will miss you. So enjoyed visiting with you in NJ and your home in FL and seeing you here in IL when you visited. You were a class act!! Always gracious and telling it like it is....if need be. Sorry we couldn't be there today to pay our respects but know our thoughts and prayers are with all of your family. Look down fondly on all of us. Gloria, Jim and Amanda*

“ *I was not lucky enough to meet Mildred earlier in life..she was 99 when we met but I was so lucky to have crossed paths. She charmed everyone she met and I can only hope to have half the dignity, patience,humor that she displayed when facing challenges. Busting her out of St.Joes for a double cheeseburger will always be such a fond memory..she was one of a kind...*

“Mildred you are an inspiration. Your had a tough few years lately you never lost faith and hope. To see you walk through the door to my baby shower was the highlight of my day. "My adoptive grandma" I have met many people over the years in my work but none touched my life like you did. You are a special woman. I will miss you. I know you are home and at peace. No more suffering. I can see you now dancing on the clouds. God bless you and your family. Thank you for being an inspiration and a friend. Until we meet again.
