

Nancy Carol Stevenson Holyst

June 23, 2021

Nancy Carol Stevenson Holyst passed away peacefully while in the presence of her loving family on June 23, 2021. Nancy was born to George and Edith Stevenson and was raised in Lansing, West Virginia, the ninth of eleven children. She and her beloved husband Henry met while serving in the Navy in 1954. They were both awarded Certificates of Recognition for their military service. Nancy and 'Hank' married in 1955, raised four children, embraced eight grandchildren, and four great-grandchildren. They enjoyed 46 years of devoted marriage. Nancy and Hank retired to Jupiter Florida where they found a new home at the Chasewood Condominiums. Nancy was an active Chasewood resident, and donated her time to the community that she loved for over 30 years.

[L
SEP] Nancy is preceded in death by her husband Hank, and all of her siblings. She is survived by her children and their spouses: Terri and Jim Monroe, Trudy Holyst and Mike Glabere, Herb Holyst and Babs Racca, Tricia and Pete Litwinchuk, eight grandchildren: Ian, Jon, Shane, Collin, Trevor, Simon, Katie and Emma, as well as her four great-grandchildren: Finley, Atlas, Zyla and Apollo.

Nancy was loved by everyone. She enjoyed reading, sewing, dancing, camping, gardening, and being surrounded by nature. She was an expert at crossword puzzles, a fierce Scrabble player, an avid golfer, and was an enthusiastic and competitive card player. She was a spiritual Catholic and

devoted to God. Family was everything to her. Her grandkids called her 'Mom-Mom', but she spread so much love and affection that many who knew her also called her Mom-Mom.

Nancy embraced life and proudly lived independently until her passing. Nancy's life was an example of a life well lived in service to others, with commitment to faith and family. She was truly an Angel.

“ *I'm very late in writing this but guess better late than never? Nancy & I grew up together in Lansing, W.Va. where everyone in the small community knew everyone else and the ladies spent at least one day a week getting together making quilts or helping others in some other way like the "Lady's Aid Society" where it was said that one wouldn't dare miss the meeting for fear that she would be the "gossip fodder" that week. Nancy & I were two of the eight who graduated from grade school one year and we followed that in graduating from Ansted High four years later. After that, we went our separate ways, seeing each other a few times over the years. My husband & I moved to Charleston, W,Va., to Cleveland, Ohio, to Dallas, Texas and finally, in 1971, to Saratoga, Calif. Nancy and I got back in touch with each other via email several years ago and it was wonderful hearing from her and spending much time "talking" to each other. She was truly a very wonderful person!! Do believe she got a lot of her good traits from her mother, Gertie, as she was one person that was loved by all ages! Great to be around. It was good to read all the earlier letters here and to see how helpful Nancy was in other's lives. Would say she was one in a million and I really do miss hearing from her. God bless you, Nancy, for being a part of my life.*

“ I only got a handful of moments with MomMom over the years but every memory I have of her was filled with laughter (and usually dancing). She truly was a spectacular woman and I’m so lucky to have been able to call her family. And although Apollo never got to meet her in person, he will always hear stories about MomMom.

“ I wasn't expecting the sadness to hit as hard as it did today over the loss of my Grandmother Nancy Holyst. Even more so, I didn't expect the overflowing joy from spending time with my family who I love and missed. Living or passed on, Mom-Mom brought us together. I love everyone I got to spend time with today and yesterday and I love you Mom-Mom!

“ Thinking about Nancy Holyst today and her astounding capacity for love and all the people lucky to be touched by it.

Mom mom was there for me after the sudden loss of my own grandmother, who raised me, during a time where I felt very alone and very lost in my life. I spent many afternoons visiting her after work just to have some root beer (which she always kept in the fridge for me even though she didn't drink it) and listen to her tell me stories about her life growing up in West Virginia, meeting her husband and the love that they shared, and of course stories about Patrick Ian McSweeney our shared love💕

I'll admit I have never in my life met someone like Mom mom, I personally am not a religious or spiritual person but Mom mom's faith was an astounding thing to see, it fed her love of all people and it guided every selfless step she made in her life. I never heard her say an unkind word about anyone and she cared about and prayed for everyone in this world, including those she'd never even met. I feel truly blessed to have not only known someone like her but to feel first hand the kind of love that she has for the people in her life and I will miss her so very much.

I wish I could be with everyone in Florida today who will be celebrating the beautiful and kind life that she lived, but just know that I am thinking about all of you.
