“ *Nancy---Your strength of faith and your love of God and family were an inspiration to many. I count it a blessing to have known you. Your daughter, Lois, is an amazing woman and friend. She is proud of you and rejoices in your being happy forever now. You are probably dancing with Louie around the streets of gold with much joy. I am glad you are finally ..truly home! “ Gramma Nancy... Thats how I have always known you and how you always treated me. With respect and love as a true grandson and I have always treasured that. I will always remember what you privately told me and how you always welcomed Brandon and I into your home and heart and wanted to feed us non-stop. Having only really known 1 grandmother on my side of the family, I will always consider my time around you as a family member and my Gramma Nancy and my sons great grandma nancy. Love you. David.

“ My Aunt Nancy was the perfect example of what is right and good in this world. I never heard her speak an unkind word about anyone and her love for family and friends was obvious to all who knew and loved her. When she gave you a hug, you could feel the heartfelt love in it and if she said she would pray for you, you felt better because you knew she would.
We miss you, Aunt Nancy, but I believe our family has also gained something ...our own personal angel in Heaven!

“ *Danielle & Family: When we lose someone we love it seems that time stands still. What moves through us is a silence... a quiet sadness... A longing for one more day... one more word... one more touch... We may not understand why she left this earth so soon, or why she left before you were ready to say good-bye, but little by little, we begin to remember not just that she died, but that she lived. And that her life gave you memories too beautiful to forget. You will see her again some day, in a heavenly place where there is no parting. A place where there are no words that mean good-bye.*

“ *Mom, from the first day Cindy brought me to meet the family you made me feel like I was home. You fed me wonderful Italian delights almost every night while Cindy and I dated and for the next 35 years of marriage. The Day I asked Dad if I could marry Cindy you had just had major surgery. Good thing, because you were sitting down when we told you the news. I guess you realized you weren't losing a daughter but gaining a handyman. It was my honor to help when I could in return for all the love I received from you and your great family. Enjoy the afterlife, you truly deserve it. We will miss your smile, your love and wonderful cooking. Say hi to Dad for me and tell him we miss you both.*

“ Mom, may you rest in peace and Thank You for being a wonderful mother-in-law. Both you & Dad embraced me from the beginning, well maybe it took a little longer with Dad! You will be dearly missed by all but you had 89 great years and the last 10 months had been hard because how active you always were and on the move constantly. Join Dad and you will be missed. Bob

“ Lois, Louis, Cindy and families, so sorry for your loss. I will always remember Aunt Nancy's hospitality. From the time I was little and we visited Jupiter as a family to my teenage years, and even into adulthood, there was always room at her house for me and whoever else I dragged to Florida with me! I feel blessed that David and I got to visit with her and Louis in March. She was always warm, loving and welcoming and I am sure she will be missed by many who loved her. Wish I wasn't so far away. Thoughts and prayers are with all of you. Love, Lynne
