“ Nancy was a wonderful friend. She was always willing to help wherever she could . I knew her through church and through the Daughters of the King. In fact I learned of the DOK through Nancy, my coffee hour partner. Rest In Peace my friend, and prayers for comfort for her family.

Nancy and I were briefly roommates with my girlfriend at the time in 1978. I was scheduled to appear at boot camp in November and my ride to southern Maryland fell through at the last minute. 7+ hour drive one way, and Nancy didn't hesitate for a second. We jumped in her car and drove the 7 hours there and she the 7 hours back without even thinking about it. That's what kind of friend she was. I'll never forget her selfless attitude and gracious nature. Rest easy Nancy. Godspeed my friend.

Nancy and I grew up together. Our houses were on the same street. Through grade school and high school we went through different stages at different times but were always able to stay friends. A few years ago we reconnected and the conversation was liked we had never missed a beat. Easy and familiar. She was proud of her kids and her siblings. I could see her smiling through the phone when talking about Anthony and Olivia. I hope her reunion with her parents was joyous. Rest In Peace old friend.
