In Loving Memory of Nick Esposito

Nicholas Frank Esposito of West Palm Beach, FL, passed away on August 2, 2021 at the age of 83. He was born to T. John Esposito and Lucy Auriemma Esposito in Madison, NJ, where he lived before marrying and settling in Summit, NJ. He grew up in a poor family with five siblings (Josephine, Jim, Rudy, Kathy, and Bob, all surviving). His hard work and business acumen led to a successful career with companies such as Ciba-Geigy, J.W. Sparks, Weichert Realtors, and Merrill Lynch Realty. His greatest successes were with Weichert Realtors, with whom he set sales records and eventually became a regional vice president.

He had four sons, John, Mark (spouse Miriam), Paul (spouse Carol), and Brian (spouse Jill), all surviving, and all very close to him in his final years, during which he continued to trade stocks, follow his favorite football team, and study the Bible, in addition to spending time with his children and four grandchildren (Jessica, Shannon, Nick, and Lydia).

Although he battled health issues for the last three years, he remained active until his difficult final weeks. His suffering has now come to an end. He was a man of deep faith. He will be remembered fondly as a loving father and friend, and dearly missed.
