“ *I was shocked to learn about Norm, Mr Burg. That was a title that man surly deserved! I was born on Pennock Point where he and Family lived just 3 or 4 houses away. As kids Sonny and I use to play a lot together. When ever we would see his father "Norm" haha all us kids would get right quickly! Norm would give us a stern look which we deserved and ask us what were up to. As a kid you towed the line around him. But When ever or What ever he always had time for us kids!! Norm in my eyes was a big strong fella but with a heart of Gold! My Prayers are for him, sent straight to Jesus by my angel. And I know it got there! I've changed slot in my life and I could say that some of my change was due from Norm any his love he had for me and Everyone. I just want to say that I hope I get to see him again in Heaven, what a great moment that will surly be for me. I know where to look for Mr Burg when I get there. He will be in the front line with Jesus ready to do what is Right. Sadly I say see ya later good friend, my blessings are with you. :( bye----*
