“ *On this Memorial Day I would like to express my sincere condolences to the Daly family. Norm was my Navy League Area President and fellow National Director the past few years and a fellow Past Commodore of a Yacht Club.
(we are both Blue Gavel members).
We enjoyed each others company on many trips to Florida NLUS meetings. I appreciated his sage advice regarding Navy League "politics" and his sharp wit.
I will truly miss him as a friend.*

“ *CDR,
As you sail again with the greats: Adm Snead, Col Myers and Col Resnick I know all will be well at the gates of Heaven. Your presence, devotion and steadfast support for our program (NJROTC) at Palm Beach Gardens HS will never be forgotten. God speed on your new journey.*

“ We shall miss him dearly...

I had the utmost respect for Norm and all he did on a continuing basis, for the Navy League and the Sea Cadets.

When many were too busy, it was Norm who took time out of a busy morning to attend the Suncoast High School Senior Awards ceremony and present Kristen with her appointment to the US Naval Academy.

Crossing the Bar

*Sunset and evening star,
And one clear call for me!
And may there be no moaning of the bar,
When I put out to sea,*

*But such a tide as moving seems asleep,
Too full for sound and foam,
When that which drew from out the boundless deep
Turns again home.*

*Twilight and evening bell,
And after that the dark!
And may there be no sadness of farewell,
When I embark;*

*For tho' from out our bourne of Time and Place
The flood may bear me far,
I hope to see my Pilot face to face
When I have crost the bar.*

“ *As a new member to the Navy League of the Palm Beaches Norm helped me to learn the role of VP for Youth. His love for the youth and Sea Cadets was strong. His passion for them will live on! God Bless.*

“ *We both worked with Norm over the course of years, as members of the Palm Beach Council of the Navy League of the United States. I helped him keep membership records up-to-date while Stan served with him on the Council Board.*

It was a marvelous run. Every laugh is remembered.....

Oh, how we shall miss him.

“ *Tad, Coleen, Mari and Families,*

We were sad to hear that your dad passed away. We have many great memories of summer days spent on the 43rd St. Beach. Later, we shared happy times at BBYC with your dad and mother. Our thoughts are with all of you.
