“ We were both sad on hearing about Norm's passing. Working together at Pratt and getting together after work as a group were good times. Norm was a class guy and always had something funny to say followed by his special laugh. Our prayers go out to Joan and family during this difficult time.

“ Norm spent his summers in the campground my family owns. He was a wonderful man and we were so very blessed to know him. He fought a courageous battle, and even though it's hard to give him up, it's comforting to know is no longer in pain and is home with our lord and savior. Our thoughts and prayers are with Joan and the family during this difficult time. Sending our love and prayers from Buffalo Camp!
