“ *What can I say, Ollie was like another mother to me. I'm going to miss her deeply. She taught us all how to rake a rug properly, iron an apron, and I'm so grateful she shared her fried chicken recipe with me. To the family, I love you all and hope you know that we are always here for you. Peace Buffy*

“ *Estelle and Anthony (Sandy can explain), became a fixture in our lives years ago. Whether it was late night at Company Meetings heating up pizza and meatballs that they arrived with from Florida, talking to them on the phone when they were visiting Maryland, or just conferencing them in with Sandy to say hi, it always resulted in a laugh. The love between Mother and child, Grandmother and grandchild and the entire family was always evident.*

*It is our wish for Dom, Sandy, Karen and the entire family, that time pass quickly to allow today's sorrow to give way to the memories of a lifetime.*

*Rest in Peace Marie. We will never eat meatballs again!*

“ Sandy, Kevin and Colby, We are at a loss for adequate words to express our sadness for you. We had the blessed opportunity of knowing your Mom and know that Heaven just received one of the most special angels. Mom DeFilippi made the best and the biggest meatballs ever! You are a reflection of your Mom in the way you treat people with respect and empathy. Not to mention the way you make each person feel loved. May the memories of your Mom and the love of family and friends surround you and give you strength in the days ahead. We Love You
