“ Orel

I will miss him and I enjoyed bumping into him and his wife at local restaurants and shopping. Orel and I worked together for over 20 years at FPL and I am sure he missed it as I do. I also took over responsibility from Orel in 1986 for Battery Bank and Charger sizing @ FPL with a 1986 Georgia Tech Paper. In that paper I gave Orel credit for its inception.

He will be missed and I hope Grace is doing well.

*Sincerely
Bob Ross*
