“ Pat was my next door neighbor for 14 years. Almost every morning I would wander over to Pat and Paul's house for morning coffee and conversation. We discussed everything from the pesky Canada geese situation on our lake to current politics to our kids and grandchildren. We traveled to Greece together for a mutual friend's daughter's wedding and had a grand time. Pat was a great cook and loved to entertain. My children requested HER recipes and not mine! Then we both moved to different areas of Florida. I really missed her and our wonderful morning talks as the sun rose over our beloved lake. I admired her bright mind and her strength in the face of health issues. I will always miss my dear friend, Pat Straub.
