

## Patricia D'Auria

October 20, 1938 - February 22, 2026

Patricia D'Auria passed away on February 22, 2026 in Jupiter, Florida at the age of 87.

Patricia was surrounded by her husband Anthony and loving family.

Patricia was born on October 20, 1938 in the Bronx, New York to Ann Marron and Theron Connor. Patricia is survived by her brother Arthur. Her brother Joseph predeceased her.

Patricia met the love of her life, Anthony D'Auria at a resort in the Berkshires, when he was her waiter while she was there vacationing with girlfriends. They initially lived in Brooklyn, New York, after getting married there on July 23, 1960 and eventually settled in Port Washington, New York for over 50 years. Patricia and Anthony were a couple dedicated to their marriage and love and support for one another and to their two daughters, Jacqueline (Michael McVicker) and Christine (Billy Donovan). In July, they would have celebrated their 66th wedding anniversary. For over 40 years, Patricia and Anthony were fully engaged within the Port Washington community creating many lifelong friends.

Patricia was a Renaissance woman whether she was cooking, painting,

gardening, volunteering or partaking in tennis, golf or sailing. But Patricia's true calling in life was Wife, Mom and Grammy. No one gave more to her husband, children and grandchildren (Sean McVicker (Juli), Michael Theron McVicker (Ian), Kyle McVicker (Gabby), Faith Walker (Ryan), Billy Donovan (Lauren), Hasbrouck Rajae (Jahan), Bryan Donovan, Connor Donovan and Pete Atkins (Jessica) and great grandchildren (Brayden, Tyler, Luke and Mia McVicker, Matheson and Baby McVicker, Henry Walker, Brooklyn and Naomi Donovan, Baby Rajae, Jocelyn and Jacqueline Atkins). She was ever present in everyone's lives to her dying day. Patricia's time, energy, love and care began and ended with the nurturing she provided for her entire family. We will all forever hold Patricia in our hearts. Patricia truly left the world and everyone she touched and held dear, in a better place.

“ Tony, I am very about Pats passing. Dick and I loved the many nights that we sat on your patio overlooking the golf course and eating a fabulous dinner that Pat and you made for us. Pat was always willing to cook and she was a marvelous one. We loved all the times we spent together chatting away the night and sometimes even sleeping over. She was really a very good friend as you are and they're a big hole in my heart where she will always be as a wonderful dear caring, loving friend. I will miss her forever love Gloria PS now Dick and Pat are together in heaven with Jesus. Hugs to you Tony. I will pray for you and the girls much love and prayers.
