Equally sorry for Bob for losing such a great companion. Please accept our deepest condolences for your loss. Unfortunately, we learned of her passing after the services were held. Sincerely, Ray & Sunny McCall*

“ *Patty was the bravest woman I know of. She never complained about her health condition. She was always sharing photos of friends and herself smiling. Patty was a very intelligent woman and never met a stranger. I am honored to have been a friend of hers.*

“ *There is a beginning; and there is an end. How fortunate we were to know Patti for the time that was in between. Her smile and enthusiasm was bright enough to melt anyone's blues away. How sad for us that we must go the rest of the way without her physical presence. How rich we are knowing that she'd want us to continue to strive for the better things that life can offer; and that we can offer to others. What a grand lady; what an exceptional human being. May God bless the family and the friends that remain. Peace and Love, Steve*

“ I have known Patty for many years. Our children played baseball with her son Mitch. I have also known her through her sisters and family here. She fought a good fight, and now the victory is hers. She was a child of God, and she is in heaven. I loved her positive attitude, her never giving up, and her love for her family and everyone. She will be greatly missed.
