“ *Patricia was not only a talented poet and painter, she was also an earnest and faithful member of the poetry community. She attended in-person and online readings, and gave her full attention to other poets, in addition to sharing her work. She carried herself with great dignity, and will be remembered as an artist and friend, with love.*

“ *Patricia was my friend and colleague for many decades. We had a monthly poetry workshop together, which she hosted for years. Patricia was not only a fine poet but also an equally fine and gifted painter. Patricia's poetry I've always compared to Emily Dickinson's; spare and crisp, with the ability to speak volumes with few words. A real gift. Patricia was a kind and generous friend, and will be missed, spoken of and acknowledged, for many years to come.*
