“ *Uncle Paul, I will always have very fond memories of your visits to our Patton Road home. It was a big event to me. You made me laugh, a lot. Your wedding, during Hurricane Agnes, will be etched in my mind forever. It was one disaster after another, but I remember everyone having a great time. I'm sorry we didn't get to have more fun times. I hope you are in a much better place now. -- your nephew, Glenn*

“ *Uncle Paul,.I really only met you after your stroke. You were always able to make me laugh and get your point across with just one word and an endless repertoire of facial expressions. No one but you could have given so much meaning to just one sound. Es in peace!*
