“ *We are so very sorry to hear of Paul's passing. He was a wonderful man who never met a stranger and made everyone smile. Paul was a dear friend to me when I was a single mom new to the area. He also introduced me to my husband, something I will always be thankful for. I know Paul will be greatly missed, but his family and friends will no doubt be comforted by happy memories of Paul that they can cherish forever.*

“ Sending thoughts of peace, love & sympathy to my aunt & cousins for your loss. My fondest memories are of the few times my mother (Noella) mustered up the courage to pack us kids in the car & drive to Long Island for a few days. Although you had a full house of your own, you welcomed us with open arms & smiles and we had a great time! Also, I will always remember when Donna & I were in high school, Uncle Paul happily met us at the airport in NY when we were on our way to a music festival in Bermuda. He took time out of his busy day to drive us to his house for lunch & back in time to catch our next flight. Uncle Paul will be deeply missed! His love & light will continue to shine through his wonderful family.

“ Mr. Paul will be greatly missed by the Savoie family. The Savoie boys said it best when they said Mr. Paul was the "best neighbor ever!" With a heart of gold Paul shared. He shared his tools, he shared his toys (boys will be boys), he shared his memories and his laughter, his wisdom, and he shared his faith. Paul LaMontagne loved openly, and freely. He is at peace with the Lord and we are blessed to have been touched by him. May God's mercy and grace give Evelyn and her family the strength to carry on his legacy. God Bless you all. Love, Willie, Donnie and the boys.
