Paul Lawrence Robitaille

July 9, 1946 – February 6, 2023

Paul Lawrence Robitaille, age 76, passed away peacefully at his home in Jupiter, FL on February 6, 2023. He is survived by Norma Robitaille, his wife of 46 years, his four daughters Collette Raymond (Carl), Renee Brodbeck (Benjamin), Jacqui Pettingil (Ed), Mary Beth Martinsen (Peter) and his five grandchildren, Rollin Paul Brodbeck, Maxwell Lewis Brodbeck, Carissa Pettingil, Sophia Pettingil, and Lawrence Pettingil.

He was born in Scotia, New York where he grew up in a large family, with 3 sisters and a brother. In 1969 he moved to West Palm Beach, FL where he met Norma. After they married in 1976, they built a home in Jupiter, FL and raised their family. Paul worked at Florida Power & Light for 38 years and retired in 2007 as an IBEW Transmission Splicer. He was always willing to do barge work for submarine outages. His work friends knew him as “Robi”.

Paul and Norma spent summers in Lake George, NY enjoying the cool weather, kayaking and reminiscing with high school friends. Paul had a passion for plants, gardening and maintaining his yard in Jupiter. He kept his mind and body busy with weekly golf tee times, swimming in his lap pool, reading and attending yoga and meditation classes. Paul and Norma were avid football fans cheering on the Miami Dolphins and Florida Gators. Paul never turned down an opportunity to have a sleepover and campfire with his grandsons, who called him “Papa”.

On Saturday, February 11th, the family will receive visitors, from 10AM-11AM and a Memorial Service will be held at 11AM, at Taylor & Modeen Funeral Home, 250 Center St. Jupiter, FL. A Celebration of Life will follow, at the home of Paul and Norma, in Jupiter.

The family requests, in lieu of flowers, contributions may be made to Kids Cancer Foundation (www.kidscancersf.org).

“ Lot's of memories working either with, or around Paul. I started thinking of all those memories when I got the news about his passing. Far, far too many to discuss, I'll start tearing up. For me, he was and always was, one special individual/friend, a complete joy to work with/around. Spent some time in vaults and other places with Paul and some all nighter's, what a friend/coworker he was. Sadly I won't be there for his service, because of family plans here in Fort Pierce, Fl. Plans already set in motion long ago. But my thought's/feelings are with Norma and Paul's entire family and all, my other FPL brother's I know who'll be attending his memorial to make it special. Those FPL brother's who, one and all, also had the pleasure of working with and around Paul, like I had.

“ Paul was one of the first people we met at the Grove. He welcomed us and made us feel at home. We shared many laughs with him and Norma, and always enjoyed sitting at the lake shooting the breeze. Paul was one of a kind with his big smile, and distinctive voice. His love of life and family was evident to all around him. He was always willing to offer a hand, and make you smile with his dry sense of humor. We'll miss his daily "golf outings" updates and sitting around the fire at night as we took turns nearly burning our hands feeding in logs. Happy kayaking, Paul. Our thoughts are with Norma and his family.

*I have had the opportunity over the last 13 years to know Paul as a member of our family at The Grove on Lake George. I used to love to sit on the deck with Paul and reminisce about the 60's. Having a cold one with lots of laughter. He will be truly be remembered as a friend. He will be remembered in a moment of silence at our 4th of July picnic. There will be tears but also laughter when we speak of all the great times we got to share. We pray that God will bless you and your family Norma.
with much Love
