“ Had the privilege of playing along side Phil his Senior year at RHS. We both played on the defensive line. Phil was a great guy and very easy going. He was solid as an oak tree and strong as an ox. I remember he used to throw the shot put over 50 feet from a stand still. He always had a smile on his face whenever you saw him. He will be missed. So sorry for your loss and we want you to know our thoughts and prayers will be with you and your family.

“ Sad to hear of Phil's passing. I hadn't seen Phil since he worked with me as a plumber's helper back in the mid 70's shortly after he came to Florida. He was back then a "gentle giant", big guy with a bigger heart. It sounds as if that never changed. He was a smart, hard worker and just a great guy to have around when you had to work all day. It isn't easy to remember everyone that I have worked with through my years but Phil was a standout among the many and his notice in the paper was read with great sadness. I hope and pray that he leaves behind many great memories to those he loved and were so much a part of his life. Treasure those memories and he will live forever in your hearts.
