“ *I will miss one of the most wonderful mother in laws ever. Phyllis was exceptional and never ever asked for anything for herself I hope and pray that there us a heaven and if there is she will surely be waiting for all that knew her at the gates. Simply one of the kindest and most wonderful woman I have ever had the pleasure of knowing. Thank God she lived a long long life and I will never forget the last time I saw her. Her eyes were a piercing blue and looked like God's angel on earth. I love you and will never forget you. Larry*
