“ *I would like to offer my sympathy and prayers for Ray's family. I worked with Ray at Pratt & Whitney back in the seventies and eighties and always found him to be a real gentleman and a pleasant person in his dealings with others.*

“ *Mr. Waddell was the best role model we can think of for a devoted husband and family man...no riches on this earth can take or buy that for any man!*
To have lived his life as a true Christain man and be so involved in his church and his community is another outstanding characteristic that people should try and be like him!!!
For his family on earth do not shed the tears of sorrow but tears of joy for having him in your life and that he is surely dancing in heaven and looking down at all of you as your guardian angel.....he is still embracing all of you!!!
