“ Dear Heather, my heart goes out to you. Ray was a sweet man and I will miss him. I will always remember him with a smile on his face and a good (or bad) joke to pass on.

“ My utmost sympathy to Heather, Albert and the Lilla family. Ray touched the lives of many people, not only the ones of his co-workers and friends but also customers that he assisted. He treated them as someone he personally knew and shared his knowledge in anyway he could. Ray shared with me over the past year how thankful he was to be able to come back to work and be among his co-workers. I'm sure they were all blessed by his positive attitude. Again my deepest sympathy to his family.

“ I had the pleasure of getting to know Ray though working at GE. From the time I started her was always welcoming, friendly and open to help teach me new things and over the years we became friends. My condolences to his wife, and family. The one thing I will always remember about Ray is his lighthearted sense of humor, no matter what life threw at him. He had the best smile and when he laughed you couldn't help but join in. Rest in Peace Ray, we will miss the light and joy you brought to each of our lives!

“ Ray was this miracle man to come back to us after his accident and help us and his family in ways we cannot understand, it looks like he has accomplished the goal God has sent him back for. Thank you, Ray, you will be missed.

“ To Ray's wife, Heather, and family, I met Ray about 14 years ago when he worked in the depot repair center and became very good friends at that time. We'd always help each other out in many ways. Ray will be missed tremendously and I only wish that I could've spent more time with him before his passing. I really thought he was going to pull through this again and be able to talk with him over the phone so this was a real shock to not be able to properly say goodbye to him. Though I was not able to meet his wife Heather, I know that you must've been a very special person to him and thank you so very much for taking care of him in these final hard months that he had to endure. We'll all miss his sense of humor and everything special that made Ray who he really was, a dear friend! Take care, Ed Kanno

“ My deepest sympathy to the Lilla family for their loss. Ray was a friendly face that will be truly missed. He and I would have our friendly arguments which always began with a smirk and ended with a finger poke. I would let him win occasionally to make him feel good, but I will miss our little sparring sessions. Rest in peace my friend.
