“ *I have such wonderful memories of Cousin Dick. He always had such a ready and welcoming smile. And where did that charming voice come from?? At Jeff and Beth's wedding, he challenged me to a polka. And when I told him I couldn't dance , he got me on the dance floor and swung me around so fast, my shoe fell off!!*

The love that he and Rose shared for 51 years is an inspiration to us all. We Floridians will take good care of Rose and continue to share happy memories.

Dick will always be remembered with a special spot in my heart. I only wish I could be there with you all.

Love and prayers to all the family, Carole

“ At times like this it's hard to know the perfect words to say to help you in your sorrow, to comfort you some way.

So may it help to make your loss seem easier to bear, just knowing others share your pain who think of you and care.

Sharing in your sorrow more than words can say.

A beautiful life that came to an end, he died as he lived, everyone's friend. In our hearts a memory will be kept, of one we loved and will never forget.

*My favorite memory is arriving at Rose and Dick's to be greeted at the door by a ladder and cleaning supplies with Dick's list of chores I was to complete during my visit. I got even by hiding his dessert.
Love and Prayers, Aunt Connie*

“ We lost a great guy when Dick passed, while Rose, Julie and Jeff lost the most.

Hee"s as we referred to him was a super positive person with a great smile, a kind heart and always fun to be with. He had more friends than King Solomon and earned your respect.

We played golf as partners for 10 or more years on Saturday's and Holidays and if we were losing afer 17 holes Dick would always want to press the last hole..and somehow he made the winning last shot. We traveled together at Manor Masters events, Moselem, and Florida trips with the golf and gin players.

Rose Marie and I offer our sincere condolence to Rose, Julie and Jeff. and their families.
