“ Dear Mr.and Mrs. Hellowell, Although I do not know you personally your son was one of the nicest people I have ever met. He was a perfect gentleman. You raised a wonderful son and it showed in his demeanor. He was very thoughtful and kind. My mother was very fond of Steve and thought of him as a son. My brother Tony was clearly upset at his passing. He was one of the family when we were together. We will all miss him. My deepest condolences to your family. May God give you peace at this difficult time.
