“ *Dear Stephanie, I was saddened to learn from Coach Kelly that your father had died. I cherish the memory of him coaching you and the other girls on the under 10 travel team .. that was an amazing summer of companionship and working together for a common goal. Your dad was a kind and calming presence for you girls as well as us parents. I feel that you are much like him. May God bless you & your family.*

“ Jennifer, my thoughts and prayers are with you and your family. God makes no mistakes, he took his angel home. We all have that same appointment to meet God one day. None of us know the day nor the hour. But, just know that your Dad is at peace, and living with the FATHER. Love and enjoy one another, because this life is very short. With Deepest Sympathy, Trudy Holmes
