“ *Fergie and I go back to August of 1969 when we both moved into the Stuart area from points up north and started working in the same telephone company center in West Palm Beach. The tight relationship lasted through the years until last week when we lost Bob. My wife and I are still shocked to hear of his passing and our thoughts and prayers go out to Joanie, his wife, as she continues to cope through these difficult days. We miss you, Fonz.*
