“ *Robert "Bob" Berns passed away on May 7th 2022 at the age of 97. Bob was preceded in death by "the only woman he ever loved"; wife Jean, children Millie and Larry; brother Al and sister Doris. He is survived by his sister Roz Squires; son David; daughters-in-law Julia and Victoria; grandchildren David, Luke, Erik, Stephanie, Michael, Tracey, William, Andrew, and Amy; neices and nephews Lenore, Richard, Betty, Alan, Nancy and Margaret, who dutifully cared for him through his final years; many great-grandchildren and beloved dog Jasper.*

OK, pal. Bob Berns was born and raised in Upper Manhattan. A 1944 graduate of King's Point Merchant Marine Academy, Robert honorably served in the Merchant Marines and as a Captain in the US Navy in World War II and the Korean War. His competitive spirit flourished in business. Most notably founding Amtech Plastics in PA and Services and Materials in IN. A true family man, the warm reception his silly routines that nearly every kid he encountered was teased with received testifies to this. "Quit it" No unattended elbow was safe. With Jean, they created a family and legacy through deliberate, constructive intent and facilitated every opportunity for betterment of their many loved ones. He remains a great source of pride and constant inspiration to "do well".
