“ *Mary, Bobby and Jack:*

Bob's smile and personality lit up a room. Such a warm and genuine soul who left this world a better place than he found it. It was impossible to be a business colleague of Bob's... You were a friend - No ifs ands or buts. I will always admire his strong dedication to his work, his family and his beloved FSU. He spoke of all of these topics with such pride and enthusiasm. I will miss the banter of rivaling my Gators vs. his Noles and how our respective seasons would unfold. Always a gracious winner and loser. If our family ever needed help, in the tangled and unrelenting mire of the insurance world, Bob was there to pull us out. Some days I thought he needed a cape...a garnet and gold cape. You touched and greatly impacted so many lives. You will be missed dearly. Mary, Bobby and Jack - I am so deeply sorry and hope all of our prayers can bring you strength.
