ROBERT JAMES CATO

Robert James Cato (Bob), 73, of Okeechobee and formerly of Jupiter, FL, passed away peacefully August 25, 2015, surrounded by his loving family. Bob was born in Vero Beach FL to Avon Charles Cato and Ida Mae Hall Cato. His family moved to Jupiter FL in 1947 when his father took the job of bridgetender at the A1A bridge from Jupiter over to Jupiter Island, now called Cato's Bridge. He attended Jupiter schools for 12 years, worked for Wilbur Plumbing and Dixie Plumbing, and resided in Jupiter until 1986 when he moved to Clyde, North Carolina to establish his own business, Cato Plumbing. He retired in 2013 and returned to Florida, settling in Okeechobee to be close to family, play golf but mostly so he could fulfill his passion to fish "to his heart's content."

Bob is survived by his loving children, Robert James Cato Jr. and Kimberly Cato Ficker (Chuck), two grandchildren Elizabeth Ficker & Ben Ficker all of Tequesta. He is also survived by his loving sister Shirley Cato, loving brother Ronnie Cato (Brenda) of Okeechobee, numerous nieces and nephews all over Florida, and many longtime friends from Jupiter. He will be terribly missed by all including his very special friend Linda Sue Mills and his former wife DeeDee Cato Nittolo. He was preceded in death by one sister and three brothers.

There will be a memorial celebration of his life on Saturday, August 29, 2015, at 10:00 a.m. at First Baptist Church Tequesta, 423 Tequesta Drive, Tequesta

FL with a reception in the fellowship hall immediately following the service.

“ *Hey Chuck and Kim, I was so shocked to hear of Bob's passing..Bob was a very dear friend and a very special person. I was privileged to be his pastor at Emmanuel Baptist Church in Clyde, NC.*

I enjoyed visiting in his home and eating his very delicious fall off the bone baby back ribs. He was a grilling master.

I remember when I was building an apartment for our oldest daughter who was having to move back home from Virginia. I ask Bob about doing the plumbing. He came and looked it over and got the materials and worked several days completing the job and he would never take a cent for his labor, all the parts and even driving to Asheville to do the job. I did not expect or even want him to do that.

That's just the kind of man he was.

I feel I have lost a dear friend. You are all in our prayers.

Love to you all Garry Rogers
