“ *I became acquainted with Bob and Alice when I lived in Jupiter Farms Florida. I was looking to 're-connect' with them (I moved back to New Jersey March 2013)...instead I sit here with a sad heart and fond memories of two of the kindest, loving, people I have ever had the privilege of knowing. Thank you for touching my life. God Bless you both...with much love, Theresa*

“ *Never was there a more wonderful and greater example of "Life Well Done" than Bob and Alice Earlston. As a former founding member of St. Peter's 1987 and subsequent 15 yrs association, the both contributed of themselves to their faith and community. Bob's sense of humor and quick wit was always appreciated as well as his impeccable demeanor always. A true gift to St. Peter's as was Alice. Certainly, I would expect nothing less than heavenly reward for both! My condolences to the family of the earthly loss. Blessings on your heads!*
