

## Robert G. Fuller

July 25, 1939 - September 13, 2020

A long time resident of Stuart, Hobe Sound, and Jupiter Florida, Robert G. Fuller passed away peacefully on September 13, 2020 surrounded by his loving family, following a brief battle with cancer.

Robert was born on July 25, 1939 in Westfield, Massachusetts and spent most of his youth in Connecticut. Following his graduation from high school, he served in the marine corps for four years, after which he returned home and married Carol A. Fuller. He worked for several years as a police officer in Windsor Locks, Connecticut. He raised three children and provided a comfortable life for his family. In 1985, he and his family moved to Miami, Florida where he worked for several years for AT&T in a number of capacities. Robert loved watching the Red Sox play, completing his daily crossword puzzles, and interacting with his other relatives who also resided in Florida.

In later years, he and Carol moved to Hobe Sound, Florida where he and his wife enjoyed their retirement. He is survived by his wife Carol, his daughter Bonnie Shepard, and son Robert F Fuller, as well as grandchildren Alex, Andrew, and Megan. His middle daughter, Stacy Pollard, passed away a few years before. He will be sorely missed by his family and many friends.

Memorials may be directed to American Cancer Association.

“ *It doesn't seem like so long ago, but I remember Bob coming to pick up my sister for dates. I remember thinking what a great boyfriend he was. After that I admired him for what a great husband and father he had become.*

*I was blessed to have him as such a great brother-in-law and financial advisor. My kids thought of him as their favorite uncle and we have been reminiscing about him the last couple of months. I will miss him dearly and will always hold him in my heart.*

“ *I accidentally left this as a comment under Megan's memory - As a kid, we would all get together for the holidays. Everyone cooked wonderful dishes and brought them for us all to enjoy. Uncle Bob would always say to me "let's just go to McDonalds!" I always thought it was funny :) Uncle Bob will be missed dearly!*

“ *I will miss you Dad... every day. You were the "rock" in the family and I could always count on you. I'm very blessed to have had you as a father. You always put others ahead of yourself.*

“ Miss you so very much, brother Bob. You were my counselor and strength and the one with whom I could discuss anything(except maybe politics). There was no one like you but I have hopes that we will meet again one day.
