

Robert G Gibson

October 31, 2015

Robert George Gibson, 88 of North Palm Beach passed away Saturday, October 31, 2015 after a very full and joyous life.

He is survived by his two sons Robert and Peter daughter in-law Lise, two grandchildren Eric and Matthew Gibson, and his soulmate, Alice Payne.

He was predeceased by his wife of 47 years, Lois Gibson and his brothers Timothy and John.

He was born July 9, 1927 to Timothy and Matilda Gibson of East Meadow, New York.

He graduated from Aviation High School, Manhattan, N.Y. and attended Hofstra University, N.Y. after serving his country in the U.S. Air Force, at Wheeler Field, Oahu in 1946.

He married Lois Ann Erickson in 1954 and embarked on a sales and marketing career with the Permatex company that led his family to North Palm Beach in 1962. He held positions of General Manager of STP Corporation, V.P. Marketing and Sales of Crane Cams, Federal Mogul, and ultimately founded Robert Gibson Associates. Bob excelled at solving both sales and engineering challenges, and was proud to work alongside his son Peter until the last days of his life.

He loved to fish, hunt, golf, and build furniture and fix all things mechanical. Near Toxaway North Carolina, he designed and built a second home. Five years after the death of his wife, Lois Ann he was introduced by

friends to Alice Payne of North Palm Beach, who shared his love of the outdoors, family and friends.

He taught us the joy and success of hard work while keeping a sense of humor. A holiday gift from Pops came with a word-play poem that had us in stitches. We will miss you Pops.

Memorial donations may be sent to the Village of North Palm Beach Library, Children's Library Fund.
303 Anchorage Drive, North Palm Beach FL 33408.

“ *Bobby, Peter and all the Gibson family and Alice.*

So sorry to hear your beloved Dad passed last week. We knew he was having a hard time but did not like us to help when he could "do it myself".

Your parents have been neighbors and friends for many many years and I miss your Mom, Lois and now Bob will be at peace.

All our sympathy to you.
