“ *Bob was a kind, sharing, considerate, reverent gentleman who was full of joy and loved to laugh. He waved and smiled at babies and tipped generously. He also enjoyed being a serious thinker, contemplator and the challenges of problem solving. He was practical, not flashy but enjoyed fine things. He was never more relaxed than when he was on the deck of a cruise ship on a patio chair with a book, sleeping by the pool, resting up for food, drink and entertainment. He is greatly missed by a great many. We were buddies. OI Eddie*
