“ *Robby words cannot express how much I miss you already! I'm absolutely heartbroken! You were the best gift given to me. I can remember the day you were born just like it was yesterday. I was so excited! So many memories flow through my mind. We were so close and did so many things together. Of course we had our moments but all siblings do. At the end of the day I always had your back and you had mine. I love you so so much! I'm glad we got to spend your last days together. I wouldn't of been anywhere else. I just wish I could've done more. You will ALWAYS be in my heart and not a day goes by I won't think about you! Rock those wings my angel! Give our parents and grandma a big hug and kiss for me! Love Always & Forever Sis xoxo*
