

Robert Francis Moore

July 26, 1954 - April 29, 2022

Robert Francis Moore, age 67, passed away suddenly on Friday April 29th in his Jupiter FL home.

Known as Bob or Bobby to friends and family, he was an amazing person who touched the lives of everyone he met with his larger-than-life personality, charismatic smile and laugh, genuine interest in others and remarkable generosity.

Bob was born on July 26, 1954 in New Haven CT to parents Harold and Sylvia. Growing up in an Italian & Irish family, the first 10 years of his life were spent in a 3-family home with his brothers Richard and Chris, as well as many cousins, aunts, uncles, and grandparents. Holidays were joyous events filled with food and laughter, and family was always the most important thing in his life.

Harold and Sylvia later moved the family to Hamden CT where Bob attended St. Boniface parochial and then Hamden High School. Bob was a standout athlete, playing many sports but had a passion for basketball and swimming. Hamden High was where he met the love of his life, Meg. The two started dating when Bob was just 16 years old and have been together ever since.

Bob attended Syracuse University and received his bachelor's degree in Marketing. He was exceptionally intelligent and had the ability to ace the test,

even when he didn't attend every class. Bob and Meg married and had three sons: Eric, Travis, and Jason. Passing on his passion for sports and life, he coached many of their youth sports, especially cherishing basketball where his coaching win record remains undefeated.

After College his first job was selling ads for the Yellow pages. He was a talented salesperson and quickly moved up, becoming President of Southern New England Telephone's wireless division. In 1994 he was recruited to build a telecommunications practice at Hill Holiday, a prominent advertising and marketing company in Boston. In 1997 he joined a small telecom start up, Vialog where he was soon promoted to COO. In 2001 his tireless work ethic and consistent success were rewarded when he was approached by British Telecom to create their North American conferencing business. In just under 5 years, he built his new company into an industry leader with over 500 employees. In 2003 he was recognized as CEO of the year by Frost and Sullivan.

At age 52, Bob retired from the corporate world to spend more time with family and pursue his passions of philanthropy, golf, and tennis. He was a devoted husband, father, brother, son, and grandfather that found no greater joy than spending time with his family. He loved his wife Meg, sons Eric, Travis and Jason, and daughter in-laws Emily and Liz immensely. His four grandchildren, Luke, Nate, Lily and Liam were his pride and joy. Nothing made him happier than having his family together.

Bob's friends were too innumerable to count, and the outpouring of love and support is a testament to the positive impact he made on everyone that knew him. He had the ability to turn a new acquaintance into a life-long friend and never hesitated to use any resource he had to help all the people he loved. He quietly supported numerous charities and causes throughout his life, helping others because he appreciated what a wonderful life he had.

The family will be having a private funeral. Celebration of life events for all friends and family will be held in both Cohasset, MA and Jupiter, FL with details forthcoming.

“ *Just heard about this through the grapevine -- I'm really sorry to see such an energetic person pass too soon. I will always remember time on the basketball court, soccer field and the occasional hotel pool during tournaments. Bobby (Mr. Moore) definitely had a significant impact on my life and I will remember him fondly. I hope that the family is doing well and hope we connect at some point in the future.*

“ My wife Lynn and I were shocked and saddened to hear of Bob's passing. He was truly a great person and friend to all. Although our lives took different paths, we were able to connect with he, Meg and a bunch of other friends from Hamden High at the Cape a few years back and had some wonderful dinners together and shared many of our memories from days gone by. We will always remember his great laugh. He will be missed deeply by everyone.

“ To Meg, Travis and Eric,
My heart bleeds for all of you. Bubbie was a kind, giving man.I
remember well the conversations and soul searching talks we had
at the Lake. He always welcomed me at the Lake House and
trusted me to take Meg away for a mountain adventure.
One pleasant memory I have of Bubby is when Meg and I begged
him to come with us. I repeatedly told him how much fun we have
climbing in the Whites .We summited some Mountain peak and
Bubbie was sweating and exhausted. I turned to him and
said,'Wasn't that great?
With a straight face Bubbie replied, "You and Meg are both sick in
the head ".

Prayers to You,

“ Bobby was in charge of the Meriden office when I went to work there.

My cubicle was right outside of his office. He sometimes would come across as stern but he really was not. He had this deep, booming laugh. That is what I loved most about him. His laugh.

He would sometimes yell: “LIZZIE!!! GET IN MY OFFICE!!” The first time he did that I wouldn’t go in until he told me what he wanted. I was afraid I was in trouble.

One time he came into the office really late in the afternoon. As he walked by my desk I said “Are you late for today or early for tomorrow?” We both cracked up.

He was just a kind soul. He loved his family which was evident from all the pictures he had of Meg and his boys in his office. I am so sorry for your loss. He will surely be missed.

God speed Bobby. May you Rest In Peace. ❤️🙏❤️

Meg and the entire family. When I received news that Bobby has passed I froze. I reached out to Dicky and he confirmed. Memories and thoughts of our friendship and great times prior to high school and beyond have taken over my thoughts.

Meg, my heartfelt condolences to you and your family. I am @ a loss for additional words.

“ My heart breaks for a dear friend and brother gone too soon. That’s how I saw Bob, as a brother. One look at his picture tonight has me choking up, tears in my eyes and with a quivering lip. It causes me to realize how much I loved him and just how short life is. That smile, that personality. He was always warm, always gracious, always a bright light in any company; almost magnetic.

Bob was married to my sister Meg. He reminded me often that when we were in high school, I had shown him a picture of Meg and he fell in love. Over these past 50 years since high school, as the Moore and Fontneau families grew and melded together, Bob became my brother. My mother and father loved and treated him as their son. He was more than an in-law. That’s the kind of relationship he developed with people.

We weren’t close friends or confidants, I simply loved him as my own brother. I wish I had expressed that love for him more often and in a deeper way. I will miss him dearly but have faith in the resurrection in Christ Jesus. Amen!

Meg,

I'm deeply sorry for your loss. Though Dickie and I were best friends in High School, I always remember Bob as great guy, truly handsome, a great sense of humor and larger than life personality. May peace and comfort be with you and your beautiful family.
