“ *Bob was a true gentleman and "quiet" leader, always striving to excel in whatever he did. I enjoyed attending the many tax classes he taught and especially enjoyed our frequent outings on the golf course.*

“ *As you know I am heart broken to lose Bob, my dear dear friend of many years. I counted on Bob for help in many areas and I will feel that loss and always remember his willingness to help in any way. I will also remember his warm smile and loving attitude towards me. My heart goes out to Judie, also my dear dear friend, Anne, and Bob. You will be in my thoughts and prayers as will Bob. I hope my Bill will welcome him warmly to the joys of heaven.*

“ *Judie, Anne, and Bob,*

Bob truly was one of the best people I've been privileged to know. Thousands of people in the Jupiter area got the very best teacher when they attended Flotilla 52's USCG Auxiliary boating safety class. I was fortunate to work with Bob for more than five years and learn from his guidance and example.

But when we had some chat time between classes, Bob's favorite topics were Judie and the kids, the grandkids and, Daisy stories. My deepest sympathy to all of you. He will be missed.

“ *Judy and Family, I was very sad to hear of Bob passing, he was a great friend and dedicated member of our Flotilla. His leadership and committment to the safety of the boating public will not only be remembered, it will continue to be felt for years to come by all he taught in our safe boating courses. His leadership as Commander of Flotilla 52 will also continue to be an inspiration to all of us who continue the course. I will miss Bob as I know you all will.*
