“ *I spent 9 months with Bob.From August 16,2008, til May6,2009. We shared wonderful memories that will last a life time for me. He was the Best man that has been in my life. Had to return to Maryland for health reasons, it was so hard leaving him. We stayed in touch constantly, up until February 11 of this year. He sent me a Valentines card, and I in return sent him one. i miss him so much, I will allways remember him. i loved him so much. Rest in peace my love, until we are reunited, Diane*

“ *I served on the same squad with Bob in WFO during the late 1970s and early 1980s. We did several interviews together. He was a dedicated FBI Agent and a pleasure to work with.My prayers are with his family and friends at this sad time.May he find everlasting peace.*

“ *In 1968 Bob and I were roommates when we were both clerking with the FBI. If it had not been for him and our other roommate from Batavia, IL., I would never have met my wife of the last 40 years. Over the years, Bob and I lost contact; but our time together in our late teens are some of the fondest memories I will ever had.*

May you rest in peace Bob and my deepest condolences to the entire family.

“ *I knew Bob from his days in the Washington Field Office of the FBI. I was his supervisor on the International Terrorism Squad during the time that the "hostages" were being held in Iran, 1979-81. Bob performed a patriotic duty for his Country in a time of great need under some rather arduous circumstances. You will probably recall the long hours that he spent away from home. May the pleasant memories that you have of Bob sustain you during these difficult times. As for his aviation endeavors, may his last flight into the "Wild Blue Yonder" leave him soaring among the Angels*
