

Robert Bunker Tillinghast

November 15, 2023

Robert Bunker Tillinghast died on November 15, 2023. His death was peaceful and dignified with Paula, his wife of 55 years at his side.

There are many words to describe Bob, smart, curious, ethical, witty, but he would be most honored by the word DAD, his proudest achievement. Dad to his best friend and son Brad and his adored daughter Sarah.

Bob and Paula did their best to travel the world together, spending a year traveling throughout Europe. Bob was happiest in his later years in his lazy boy on the phone with Brad while the Patriots soldiered on and Paula and Sarah were preparing a Sunday dinner. A truly contented man.

Bob was a retired Senior Assistant Vice President of Amica Insurance Company and a graduate of the University of Rhode Island. He resided in Palm Beach Gardens, FL for the past 20 years. A resident of Eastpointe Country Club, where he and Paula were surrounded by life long friends.

Bob was proud to serve in the U.S. Navy, often reflecting on his time in the Cuban Blockade.

He also served in the Martin County School System as a volunteer in the art program for disabled children, always with Sarah by his side.

Bob was the beloved brother of Rick and Elaine, son of Thelma and Byron.

Bob will be missed by his loving daughter-in-law, Zuhairah and his most cherished grandson Quinn, and the sweetest of granddaughters, Izabella.

Remember Bob with a round of golf, a Jack Daniels and a smile.
