

Robia Chastaine Malam

November 9, 2016

Robia Chastaine Malam, age 53, of Jupiter, FL passed away peacefully in her sleep on November 9, 2016. Through Robia, all of our lives were touched in a special and personal way. She was always the champion of the underdog, never afraid to take on a challenge for what was right. She made EVERYONE feel accepted for who they were and not what society expected them to be. She loved unconditionally and loved with all of her heart. We are all blessed to have had her in our lives here on earth, even if it was for just a short time. We should all take comfort in knowing that she is a Guardian Angel to each and every one of us. Robia is survived by her husband, Curt and their two children, Sierra and Joshua, as well as her parents, Judy and Gerald Grainger, her sisters, Amy (Harold) Shader and Melissa (Russell) Krautheim, sister-in-law Carri (Luke) Wilson, along with nephews and nieces, Harold Jr., Warren, Isabelle, Gabrielle and Michael. Additionally, she is survived by her father-in-laws, George Wilson and Terry Malam. Services will be held at the Pell City First United Methodist Church in Pell City, Alabama on Saturday, November 19, 2016 at 3 p.m. Donations to the Compass LGBT Community Center in Palm Beach County, Florida are appreciated. “ *Robia, what an angel you are. Though our friendship seemed brief, as you travelled to heaven so soon after our meeting, you are such an amazing friend and inspirational soul to me. I thank God that I was given the privledge of being touched by your beautiful light, peace, love, and unwavering loyalty of faith. I will forever be changed by your inspirational words, courage for change, and deep love of all living beings. I pray that you'll always know how special you are to me and how appreciative I am for not only our friendship but the brilliant love and peace that you showered my daughter with. Thank you. I will never forget you, Sugar. God Bless You and Keep You.*

“ My thoughts and prayers are with Robia's entire family. My special thoughts are with her mother; who lost a child to soon. Robia's husband and children will never forget her kind and gentle spirit. Her sister's, Amy and Melissa, I know how it feels to loose a sibling. The pain can seem unbearable, but you are allowed to feel any feelings that you may have during this grieving process. Please feel free to reach out to me, if you ever feel the need. Robia was a beautiful soul, and would give anything to help someone in need. Find some comfort that she is now at peace. She was a very strong woman with a wonderful attitude of acceptance of all the things that life threw her way. She will live in the hearts of the many people she touched. May she Rest in Eternal Peace.

“ Thinking of you and your family during this trying time. While I did not know Robia, I could see through Curt's eyes how much he loved her and his extended family. Prayers.

“ Dearest friend and colleague, your spark will be missed. The laughs we had would fill a tome- never a negative word ever parted her mouth- always loving and open-hearted. Good Bye for now.

“ We are still in shock. She has left us at much too young an age. We will always remember her as being a vibrant, loving person. Our hearts go out to all her family.
