“Daddy...There isn't enough space to say what i want to say; but, here it is in brief. You are so loved. You are so missed. If I cried, laughed, gossiped, annoyed, teased, complained, shouted, failed, won, hugged or kissed, you were always there. You never judged. From my earliest memories, you were my handsome, charismatic Prince Charming, my lifeline and touchstone. You will always be so, and I will always be your Sugar.

“I am so sorry to hear of Roger's passing. He was a very nice man and we were lucky to have him apart of our family. I had the best time visiting Vicki and Roger in Florida when I was in high school. He was such a nice guy and really took care of me and my cousin, Sheri. They made us feel like queens while we were visiting and I will never forget the fun memories of the trip!My thoughts and prayers are with Roger's family and friends.
