“ *Mona, you were such an integral piece of my childhood! We dressed in matching clothes. Your Pepper and my Pixie had a couple of litters of the cutest pups. We went to gymnastics together. We spent hours playing Barbies. We thought we were "blood sisters" because we cut our fingers and put them together. I loved going to the Elks with your folks... you will always be in my heart and memories of a special time past. Love you...*

“ Mark and Family-So very sorry for your loss. Mona was a wonderful person who loved her family very much. Although we did not spend much time together in our adult lives, we did communicate via Facebook which has been a wonder resource in helping to keep our family connected. We had lots of childhood memories together and she will be missed dearly by all who have had the privilege of knowing her. Our family mourns the loss of such a beautiful lady but rejoices in her new life in Heaven as she reunites with Aunt Barb, Uncle Spider, Jerry , Mike. Praying for peace and comfort, for all her knew her, during this difficult time.
