Ronald A. Janes

Those we love don't go away – they “boat” beside us every day.

On the 13th of May, 2022 we had to say goodbye to Ronald A. Janes. Ronald was born in

Wilmington, DE on July 2, 1933 to Ethel Werner and Delmar Janes. He was a proud member

of the US Navy where he served as a meteorologist on the U.S.S. Saipan.

Ronald worked as International Project Manager in the U.S. and Europe for Pratt Whitney and U.S., France and

Turkey for General Electric. With a heavy heart but a smile on our faces, surrounded by family

and friends we said “bon voyage” to Ronald in his beloved Jupiter ocean (26 degrees 56' 21.2"N) on June 2, 2022. Loved forever by his Wife, Dolly Ronda-

Janes; Children Jeffrey Janes, Keith Janes (deceased), Kerry Janes

(deceased) and Traci Jane, Kimberly Janes, chip Janes and Monica Kurt and

Cindy and Mike Dudley; Proud Opa to Krystal Hickey, Jeffrey Janes, Erik

Janes, Kayla Janes and Anna Janes.
