“ This was a shock. Depuis has stringent length of stay restrictions and I was looking forward to seeing Ron after a long time away. I felt if I asked him a question about a plant or animal or bird he'd know the answer. I appreciated his and his wife's interest in and concern for my welfare. They navigated a colorful world, but I do not doubt that he was a good husband to her. That he was as unique as he was I often thought was a testament to her success as a wife. Surely many of us will choose as he chose as the years unfold. Blessings to Julia as a new chapter of life begins. I hope her family will be consoling to her.

Ron was a very good friend, we had a lot in common. We shared many good times and I enjoyed hearing him speak of his family and friends and the love he had for them. Ron was an honest genuine friend. We will miss him very much.

“ Our memories of Ron will always be of him in his element...entertaining the crowd at 3 Lakes, sharing much needed knowledge with me as I was struggling with my health issues, bringing a sense of safety and competency to Dupuis. But personally, we could talk religion, politics, and family on such a genuine level. Ron, you will be missed by so many! 💔 But now I celebrate a vision of you, free from pain, chatting with the angels, eating a delicious smoked brisket!
