“ Growing up with you was the greatest times of my life ! We recently just laughed about how we met in 1st. grade over a belt buckle. LOL . We shared so many great memories thru-out our time in grammar school and H.S. from Boy Scouts to Baseball and bowling, from Bmx bikes to dirt bikes. I remember all of our fishing and crabbing trips, How we would sneak into the Ave U movie theatre our firework battles in the creek. I remember staying out for hours skitching during the winter storms and how you made it all the way to Kings Plaza from Nostrand Ave. I could go on and on, so many laughs, so many great times. You made life and adventure and I am so Honored to have you as a friend. I will cherish our memories forever. I love You and I miss You! Until we meet again !

Your Friend,
T.J.
