“ *Oh goodness do I have memories, I always enjoyed going down and spending time with uncle Sam and aunt Louise whether it was for one day or a week or two especially when I went and stayed a while and helped my aunt Louise at her daycare after uncle Sam's heart attack, he always used words I didn't first understand but he always broke them down so I could understand. I'm going to miss you uncle Sam 🥹 but I'll see you again in Heaven.*
