

Samuel Lee Michel

February 9, 1995 - September 30, 2022

Our son, brother, uncle, friend, colleague, Samuel "Sam" Michel was taken from this earth, far too soon, on Friday, September 30, 2022, after fighting five long months with an aggressive cancer. Medicine was no match for this beast. Sam went peacefully to be with the Lord, at his childhood home, in the arms of his parents.

While Sam lived a life with many medical hardships, he will be remembered for his sharp wit, his quick sense of humor, his love of technology, his dedication to his work and kind friendship. His peace with the Lord is our comfort but his untimely absence from the Earth will be a void that will, undoubtedly, be felt by his friends and family for years to come.

A service to honor his life is being held at Taylor & Modeen Funeral Home, 250 Center St, Jupiter, FL 33458. The family will receive friends at 10:00 AM with a service following at 11:00 AM. Rest peacefully, Sam, and enjoy eternal bliss.

“ *Thinking of you today and all you touched.*

“ *Sam was an exceptional person and certainly one of a kind. I still remember when he came in for his first interview as an intern and immediately impressed us all. Being his mentor, I can say with 100% confidence that hiring him was one of the best decisions Sighthound made. He quickly excelled at his tasks and had the hunger to learn and grow more. It is this passion and his hardworking nature which saw him join the Sighthound leadership group a couple of years back. One of the smartest guys I have worked with who never flinched from a challenge. Could give him anything and he would come back with the task completed. A wonderful person and a treat to have around who always had a smile on his face.* 🙏🙏🙏

I still have a hard time believing Sam is not with us today. I pray that he is in a better place now and that he is free from all his pains. He will be missed dearly.

“ *Losing Sam is something I still cannot fully comprehend. He worked side by side with us, starting as an intern, and developing into one of the company leaders. I don't think it'd be an exaggeration to say he was loved and respected by all he worked with; both coworkers and customers. We miss him greatly, and his initiative, mind, talent, humor are not something that can be replaced.* ”

“ *The Sighthound team has missed and will continue to miss Sam. He was a natural problem solver, gifted technologist, and great team member. We were so lucky to know him.* ”
